CRITERION I – CURRICULAR ASPECTS

1.1 – Curriculum Planning and Implementation

1.1.1 – Institution has the mechanism for well planned curriculum delivery and documentation. Explain in 500 words

The college strictly follows an academic calendar prepared by our college authority as per instructions of the Burdwan University. However, it plans the curriculum delivery mechanism and keeps a documentation of the same in the following manner. At the beginning of the session the whole course of the year is subdivided among the teachers by arranging corresponding departmental meeting according to the strength of teachers and their specialisations. The distributions of modules among teachers are documented in the individual departmental database. Number of classes, required to complete the course, number of days, the college will remain open, are assessed beforehand in the departmental meeting at the beginning of the session, and loads are distributed accordingly. When unwanted disturbances occur in the college and as a result of those disturbances regular classes get hampered, the institution has a mechanism to deal with those unfortunate situations. In the routine, there is a provision of TUTORIAL CLASSES for every department; in these slots extra classes are taken to complete the course. Test exams are conducted according to The University of Burdwan circulars published time to time and the performance are assessed and documented in each Departments.

Students' union of the college is actively engaged in different extracurricular activities that help in developing social, cultural, environmental, physical as well as political awareness amongst the youths. The activities of the students Union are enlisted below:

- The Cultural competition of the college is organised by the Students Union every year. All the students are requested to take part in the competition. An automatic screening is done through this competition for the students who will represent the Institution in future inter college or other cultural competitions.
- The union publishes their annual magazine every year. The student union collect the writings from the students and place them before the editors' board (comprising teachers) for final selection. The magazine offers an excellent opportunity to the students to ventilate their unexplored brilliance present in them.
- The college has a successful history of showing good performance in Youth Parliament competition. It performed well in District level Competition as well as State Level Competition. Credit goes to the faculties along with the students' Union, right from developing the script to selection of students for the specific role, the arrangement of rehearsals, purchasing drama attires and logistical support all are done by the union.
- The annual sports of the college as a gala event, where all the departments take active participation. A college football team is selected by the union with the help of the physical education teacher, just after the annual sports. This football team undertakes regular practice and perform praise worthy performance at the University level as well as at District level competition.
- The union also take active participation in selecting NCC and NSS cadets. Regular activities of the NCC and NSS like establishment of practice camp, visiting to adopted villages, organising seminars - campus cleaning - environmental awareness in villages for NSS volunteers etc. are carried out with the help of the union.
- Amongst other works the union also logistically help the institution organising State/National/International seminars, invited lectures, teachers' day celebration, Independence Day celebration etc. The birthdays of notable noble sons of mother India Is also celebrated in a befitting manner. Students on academic administrative bodies/committees of the institution: Students' Representatives ventilate their grievances and opine their perspectives in the meetings of the following academic administrative bodies/committees of the Institution.
